2. Even though the NSC has not formally approved a new NSRP there have been significant changes in national level strategic thinking. These changes primarily deal with increased emphasis on our non-nuclear posture and on flexible and selective responses, both nuclear and non-nuclear, to the entire spectrum of the Communist Threat.

3. Purpose of NSCP is to:

a. Translate national objectives and policies of the NS into terms of military objectives, strategic concepts, & tasks which are in consonance with actual US military capabilities.

b. Constitute a direction to CINCPAC for the conduct of ops in cold, LW & GW.

c. Provide strategic & logistic planning guidance.
